Dog Walk and Homecoming 2009

Walking Team Registration Form

Start a HART walking team! All you have to do is get your team together (from your work, church, neighborhood, or organization), think of a team name, register your dogs, and start collecting pledges. The top money-making team will get a breakfast buffet brought to your choice of location and day compliments of HART. This is a great way to make friends, meet neighbors, have a fun day, and help to raise much needed funds for the animals of HART!
